European Solidarity Corps

What is the European Solidarity Corps?

The European Solidarity Corps is the new European Union initiative which creates opportunities for young people to volunteer or work in projects in their own country or abroad that benefit communities and people around Europe.

The young people who participate in the European Solidarity Corps will all agree with and uphold its [Mission and Principles](#).

You can register for the European Solidarity Corps when you are 17 years old, but you cannot start a project until you are over 18. European Solidarity Corps projects will be available to people up to the age of 30 years old.

After completing a simple registration process, European Solidarity Corps participants could be selected and invited to join a wide range of projects, such as helping to prevent natural disasters or rebuild afterwards, assisting in centres for asylum seekers, or addressing different social issues in communities.

Projects supported by the European Solidarity Corps can last from two to twelve months. They will usually be located within the European Union Member States.

Interested?

If you are up for a challenge, and willing to dedicate yourself to helping other people, then join the European Solidarity Corps today!

CERTIFICATE CREATION — PLACEMENT ADMINISTRATION AND SUPPORT SYSTEM (PASS)

You cannot issue a certificate for this participant, because the participant report has not been received yet.

The screenshot shows a web interface for managing placements. At the top, there's a logo for "EUROPEAN SOLIDARITY CORPS". Below it, a message says "Certificate created for Željko Čović (ID:47740238)". There are "Back" and "Generate certificate" buttons. A section titled "Viewing certificates of: TEST ORGANISATION ALPHA" lists a single placement entry:

PLACEMENT NAME	PARTICIPANT	PRN	PLACEMENT START DATE	PLACEMENT END DATE	PLACEMENT CITY	PLACEMENT COUNTRY	ACTIONS

A red circle with the number "1" is positioned to the right of the "Actions" column.

The second screenshot shows the same interface, but with a dropdown menu open over the "Actions" column. The menu contains a grid of language codes: bg, cs, da, de, el, en, es, et, fi, fr, ga, hr, hu, is, it, lt, lv, mk, mt, nl, no, pl, pt, ro, sk, sl, sv, and tr. A red circle with the number "2" is positioned to the right of the dropdown menu.

In the 'Actions' column, for each placement, you will find now information about the date and the time the certificate has been issued.

OBJAVA MOGUĆNOSTI ZA VOLONTERE

How to advertise an opportunity

1. Log in to PASS
2. Click on the 'Manage opportunities' option (1)

System selection

Log out

Thank you for logging into European Solidarity Corps Placement Administration and Support System (PASS).
This system is designed to let you search for and make contact with European Solidarity Corps participants, and finally offer them placements.

[Download the PASS User Guide](#)

The following are the key steps to follow in the process:

Step 1 Search for participants, and make contact with them
Use the search screen to find potential participants for your placements.

Step 2 Contact individual participants and discuss the placement with them
For privacy protection reasons, you must first use PASS to ask the young person for permission to contact them. After they have given you this permission, you can email them or call them directly, outside of PASS, to discuss the placement that is available.

Step 3 Send an offer to the participant and get them to accept or decline it
When you have finished your discussions then you must send the young person an offer via PASS. The young person then has to either accept or decline the offer. The offers expire 15 days after they have been sent. This step is very important, because once the young person has accepted the offer they will become eligible to access to additional online European Solidarity Corps services. The funding for your project may also not become available until the offer is accepted.

If you are authorised to manage placements for more than one organisation, you will see all of the organisations listed below. Follow the three steps for the organisation you want to manage placements for.

Welcome to the Volunteering Opportunities database in the European Youth Portal!

The above table shows the organisation(s) that you are currently authorised to administer within the European Youth Portals' Volunteering Opportunities database.

At present, only organisations which have been accredited for European Voluntary Service under the new Erasmus+ programme (since January 2014) are able to add opportunities to this system.

If you believe you should be allowed to administer the volunteering opportunities for another organisation, please have the responsible person for that organisation contact their EVS National Agency and request that either the "Contact Person" or "Legal Representative" email address is amended to be exactly the same as your ECAS email address.

If you represent an organisation which wants to advertise for volunteers for your EVS projects, [click here](#) for more information.

Please note that it can take up to 24 hours for amendments to EVS records to be transferred to the European Youth Portal.

We apologise for this inconvenience, but hope you appreciate that these measures are required to ensure the security of the system.
